★ BUY IN BULK flash cards

WEE GALLERY, \$15

Ever notice that “educational” toys tend to look like... educational toys? Not so with this set of six boldly graphic flash cards. Use the black-and-white laminated cards to stimulate young brains—or as wall art.

sound cube

LATITUDE ENFANT,

\$20

You can't go wrong giving something that features crinkly paper. This pillowy cube holds six pop-out shapes filled with things that make decidedly unobtrusive noises, like tweeting, squeaking, and crinkling.

book

OLIVIA,

BY IAN FALCONER, \$8

Be the first to give the board version of the book that gave the world Olivia, the rascally pig whose imagination takes her inside. Degas paintings and inspires her to express her own artistic nature (on the bedroom wall).
